Emmanuel's Informer

July/August 2026 Volume 58, Number 7-8

What an incredible week of Vacation Bible School! As we look back on all the laughter, learning, music, crafts, silliness, and faith-filled butterfly moments, I want to extend our deepest thanks to the many people who made it possible.

Thank you to our generous dear ones who provided supplies, snacks, decorations, and financial support. Thank you to our snack coordinators, registration helpers, teachers, storytellers, musicians, clean-up teams, and crew leaders who kept everything running smoothly.

A special word of appreciation goes to our teen volunteers, who brought energy, enthusiasm, compassion, and loving boldness to every part of the week. We are also grateful for the arts-and-crafts wizards, decorators, setup and cleanup crews, and the countless behind-the-scenes helpers whose work often goes unseen but never goes unnoticed.

Most of all, thank you for sharing your time, compassion, and love with our children. Because of you, VBS was a joyful week!

Here's a photo of most of us.

NORTHEASTERN PENNSYLVANIA SYNOD
MONTHLY NEWSLETTER

We Are Stronger When We Serve Together

Submitted by Stacey Burke, NEPA Synod Director of Communications

When a fire forced St. John's Lutheran Church in Allentown out of its building during Lent, neighboring congregations stepped in to help. Members of St. John's and Christ Lutheran in Allentown worshiped together, shared leadership, and supported one another through the challenge.

Reflecting on the experience during the 6261 Ministry Communities panel, Deacon Michael Krenz shared, "We have a sense of joy and we know that if we have trials and tribulations, the other congregations will say, 'Can I help?'"

Throughout the 2026 Northeastern Pennsylvania Synod Assembly, one theme surfaced again and again. Whether discussing ministry communities, new worshiping communities, global partnerships, or emerging ministries, participants shared a common message: we are stronger when we serve together. Mission Support helps create and strengthen those connections.

At assembly, participants heard stories from 6261 Ministry Communities, where congregations are exploring new ways to share leadership, resources, and ministry. Panelists spoke honestly about both the challenges and joys of collaboration. While the work requires patience, communication, and trust, many shared how relationships formed through these partnerships have strengthened congregations and expanded their ability to serve their communities.

The assembly theme, *Imagine*, was reflected in stories shared during the Fresh Expressions panel. Participants heard about ministries reaching people through community meals, recovery ministries, young adult gatherings, video game nights, mobile shower ministries, and other creative efforts designed to meet people where they are. Together, these ministries demonstrate how God is at work beyond traditional church walls. Speaking during the panel, April Mulvey of Hope's Table in Reading shared, "I serve a big God. So I dream big and I believe that God will just make it happen." Her words captured the spirit of ministries that are willing to try new things, build new relationships, and trust God to open new opportunities for sharing the gospel.

The assembly also celebrated the growth of the Indonesian Lutheran Church of Scranton, which was authorized as a Synod Authorized Worshiping Community (SAWC) in 2025. Worshiping in both Indonesian and English and building relationships with neighboring congregations, this ministry is a visible reminder that the church continues to grow in new and life-giving ways.

Beyond Northeastern Pennsylvania, assembly attendees were reminded that we are part of a much larger church. Through companion synod relationships in Tanzania, Saxony, Argentina and Uruguay, Slovenia, and our domestic partnership with the Northwest Synod of Wisconsin, congregations are connected to a global community of faith. These relationships allow us to learn from one another, pray for one another, and discover new ways God is at work throughout the world.

As Bishop Christopher deForest reflected, "We're coming together not just to survive. We're coming together not just to thrive, but we're coming together to do mission of God in the world." Through relationships with congregations, ministry partners, companion synods, pastors, deacons, licensed lay ministers, and church leaders, we are continually discovering new opportunities to participate in God's mission.

Assembly also highlighted how Mission Support helps leverage additional resources for ministry. Through partnerships with the ELCA, seminaries, and grant programs, congregations and ministry leaders have received support for new worshiping communities, outreach ministries, leadership development, Fresh Expressions training, and collaborative ministry initiatives.

Following her election as bishop, Bishop-Elect Jennifer Dee reflected on her excitement for how God is calling the NEPA Synod to serve together, sharing that she is "incredibly excited to see how God calls us to do ministry together." Her words echoed what had already been demonstrated throughout the assembly: ministry is not something we do alone.

Every congregation that shares Mission Support is helping make these ministries possible. Together, through Mission Support, we are not simply sustaining ministry. We are strengthening congregations, raising up leaders, forming new ministries, and joining God's mission in the world. If you would like to learn more about the ministries and stories shared at assembly, recordings of the plenary sessions are available on the synod's YouTube channel, with links and assembly resources available at godslove.org/assembly2026. Together, we are imagining what God can do next.

Help Make Ministry Possible

Treasurer's Report April was a good month with income more than expenses by $6,503. Year to date, income is now more than expenses by $7,619. Compared to last year, our year to date offering is now up by 1.9%. Year to date expenses are up by 2.7%. Building fund contributions year to date are down compared to last year but still good. Our mortgage balance now stands at $28,966. The improvement fund balance is now $6,231.	Bob Siegfried (report submitted)

Pastor's Report Thanks to everyone for their patience regarding her surgery and recovery. She has physical therapy planned for 6 months for her new injury. Hand is good. Trying to avoid surgery for a partially torn MCL in her knee. Janelle is on vacation through 15May. The church received a notification of Vernon Mann Jr.'s death from Bensing. Can't do the funeral at Emmanuel's because it is on election day and Emmanuel's is a polling location. The Synod Assembly is coming up June 4, 5, and 6. They are electing a bishop but not allowing electronic participation this year. Pastor Rachel is unable to attend the entire assembly due to it being the last week of school and half days. Alyssa Geiger will be attending, but there are supposed to be two lay representatives from our congregation.	Pr. Rachel Hacker
Worship and Music The handbells need to be refurbished. Council agreed to replace the discs and the clappers at $2,192. Jim Hower was first, Jason Merker seconded. The desk for the sound system for the fellowship hall was discussed. We would also need ESG-sound people to help with wiring. We wouldn't have to control the lights from the breaker panel anymore. The price of the desk handmade in CA is $6,989. Terry DeGroot is going to check with Blue Mountain Woodworking, and Jim Hower will check with Koch's to get additional prices. We talked about moving the current downstairs desk upstairs. The video and sound system upstairs is very dated. Terry will call Bobby about looking into that. Ray Walker said he would pay for a new sound system upstairs.	Michele Geiger (report submitted)
Property We talked about what to do with the outside of the church. The 1953 brick coat is crumbling. The water coming in upstairs is coming in through the wall. It's fake brick – stucco with a brick pattern in it. It will cost $12,000 to seal the whole thing. We need to talk to Bob S. to see how we can afford the things we need.	Terry DeGroot
Outreach We are collecting underwear, bras, and socks.	Terry DeGroot
